Lions Hear Omar Burleson Tuesday

Congressman Omar Burleson was a guest of the Hamlin Lions Club at their Tuesday luncheon meeting and the representative from this district was greeted by a full attendance at the meeting presided over by President Jim H. King.

Gaety of the meeting was added to by club ribbing of members Jess Burditt and Joe Culbertson over the defeat of their A. & M. Cadets by the Baylor Bears.

Burleson spoke to the club regarding problems in the conduct of the nation's business and high point of his talk was his expression of doubt that the nation would ever achieve a normal condition during the lifetime of the club members.

Burleson revealed that as a committee member on foreign affairs, he has had opportunity to study the possibilities of the workings of the United Nations and said that it was his belief that this body could prove a salvation of hopes of world peace. Establishment of a United Nations military force was described as the most potent weapon against Russian domination.

The congressman from Anson cautioned against adoption of fantastic plans for world government as being far advanced for serious consideration at this time.

Burleson has gained for himself and this district an outstanding honor by his appointment to the foreign affairs committee. This is generally regarded as one of the two most important committees in the congress and is not ordinarily passed to a comparative freshman in that body.

Guests at the Tuesday meeting were Carl Murrell, Wesley Nail, C. G. Green, J. E. Patterson, all of Hamlin; M. L. Moffett, Roby, and Lion Drinkard, Snyder.

Midwest REA Gets New Loan of \$160,000

A loan of \$160,000 has been approved by the REA to the Midwest Electric Cooperative at Roby, according to a report to The Herald from Senator Tom Connally.

Money will be used for general system improvements and for the building of 60 miles of new transmission lines, which will serve 112 new farm consumers.

The co-op operates in: Jones, Fisher, Borden, Garza, Scurry, Kent, and Stonewall Counties.

Snyder Tigers Next On Pipers Schedule

The Pied Pipers of Hamlin go to Snyder tonight to do battle in an effort to keep their victory string intact in District 6A play.

Head Coach Jess Burditt and Assistant Coaches Vernon Townsend and Bob Nunley report that the Pipers are in good shape for tonight's fray. Injuries from the Merkel game were negligible and have responded to treatment during the week.

Although Snyder is rated above the Pipers in many reporters ratings, they have reversed themselves in naming Hamlin as the probable winner.

The Snyder offense will give the Pied Pipers their first look at the split T since their game with Colorado City last year. Max Coffee operates as man-under for Snyder and principal strength in their backfield is supplied by Franklin Woods. Advances receive here are that Grant Teaff and Don Keller feature the Snyder forward wall.

The Pipers have been working on their passing attack as a precaution against running into another defense such as set up by Merkel against the running of Don Gregory, Tuffy Ford and Sugar Green.

Speedy Moffett, coach of the Snyder Tigers, was in the stands at the Merkel game and the Pipers have been thoroughly scouted for the Friday meeting.

The new Snyder stadium is now located on the new Big Spring highway and is reached by traveling south on that highway.

Although this is the homecoming game for the Tigers, plenty of seats are said to be available for Hamlin fans.

Cpl. Earl Putnam Sees Action With Regiment

Cpl. Earl (Pete) Putnam, son of Mr. and Mrs. D. O. Putnam of 711 North Central Avenue is serving with the 187th Airborne Regimental Combat Team in Korea according to a release by the regimental headquarters to The Herald.

He is a squad leader in the Communications Platoon of Hq. Co. 1st Bn. He joined the 187th November 16, 1949 at Fort Campbell Kentucky.

He saw action from September 24 to September 30, 1950 with the 187th on the Kimpo Peninsula northwest of Seoul, Korea the report continued.

In conclusion the report stated he was entitled to the following decorations: parachute badge, Korean campaign ribbon with one battle star and the unit citation.

Honor Society Has Installation Rites At High School

The National Honor Society of Hamlin High School met in Tuesday afternoon session in the high school auditorium for the purpose of initiation of candidates.

Installed as new members of the society were W. L. Fletcher, Asa Goodgame, and W. T. Stapler, Seniors.

Laura Courtney, David Ford, Eleanor Huchingson, Barbara Posey and Jim Harwell, Juniors.

Basis of election to membership in this society is leadership, scholarship, character and service. A society committee makes the selection according to these qualifications in a candidate.

Donald Johnson opened the program with a president's greeting. Following this, Dorothy Altum delivered a talk on Leadership. Donald Green spoke on Scholarship. Gay Nell Stephens, Character, and Gwen Norris on Service.

Following these talks from the officers of the society, Superintendent I. R. Huchingson introduced Congressman Omar Burleson, who spoke in resume of the fundamental principles of the society.

The meeting was closed with a prayer led by B. V. Newberry, principal of the high school.

Mrs. Mary Farrow is faculty sponsor of the organization.

Property Transaction Brings Home Building

A new property development is being prepared for disposal in Hamlin. Announcement of the project was made this week by C. C. Broyles, Abilene developer of similar projects in this area.

Lots listed are in the Moore West Addition and a wide variety of housing plans are made available for the purchaser's selection. It is understood that 20 sites have been negotiated for in this development.

All-School Party Is Halloween Event

The Student Council of Hamlin High School sponsored an all-school Halloween party at the high school gymnasium Tuesday night, October 31.

Following games of canasta, table tennis and dominoes, refreshments were served in the high school cafeteria by members of the student council. The refreshments were prepared by girls from the home economics department.

The cafeteria was decorated in the Halloween theme, with black cats, streamers of orange and black crepe paper and footprints leading across the ceiling.

Each class in the high school paid one-fifth of the expense of the party and approximately 250 students and faculty members attended.

Activities of the student council were under the lead of Don Johnson as chairman. Dorothy Altum served as chairman of the refreshment committee. Faculty sponsors were Principal B. V. Newberry and Mrs. Austin Poe.

Costume prizes were offered to the best boy and girl costume for the party. These were won by Earl Pritchard and Susanne Hudson.

Piper Passing Leads To Win At Merkel

A narrow 25-20 victory over the Merkel Badgers was chalked up by the Hamlin Pied Pipers in the football game of last Friday night that kept Hamlin's 6-A District championship hopes alive for another week.

Keeping pace with the currently hot Colorado City Wolves in the victory column provides more difficulties each week and the Badgers gave Piper fans many an anxious moment in the Friday night encounter. After a scoreless first quarter in which the charges of Coach Jess Burditt dominated the play, Merkel found themselves in a hole with the ball on their own twenty-yard line.

A short punt gave the ball to Hamlin on the Merkel 22 and Tuffy Ford and Sugar Green began a march to the Merkel goal line. With a first down on the Badgers threeyard line, things looked rosy for the Hamlin followers. A fiveyard penalty lengthened the distance to the pay-off stripe, but Asa Goodgame put the clincher on when he pulled an end-around for the score. W. T. Stapler failed in his conversion attempt and the score showed Hamlin 6, Merkel 0.

Here Willie Robertson and Gaylon Johnson stepped into the picture for the Merkel team and began a sustained drive after the Badgers took Stapler's kickoff. A mixture of passes from Robertson and skirts of the ends featured a march to the Hamlin goal. Highlight of this series of plays was a 28-yard pass completion which put the ball on the Hamlin 3-yard line. On second down from this point, Robertson plunged over for the touchdown which tied the score. Robertson quickly untied the count when he booted the ball through the uprights for the point that might mean victory for the Badgers.

Hamlin received the subsequent kickoff and Merkel showed fire in their charging that would not permit a gain in carrying the ball.

Don Rowland began a momentous night when he booted the pigskin for 78 yards, far over the Merkel safety's head. Merkel was able to chalk up one first down from their own four-yard line before the half ended.

Merkel received to start the second half, but was unable to permit a gain in carrying the ball.

Deception was excellent on the next play when Green took the handoff from a flanker position and circled left end for the tally that put Hamlin in the lead by a slim margin. Stapler again missed the point.

Score: Hamlin 18; Merkel 13.

Hamlin kicked off short on the ensuing kickoff and play started on the Merkel 39. On the first

carry from scrimmage, Robert Fletcher covered a Merkel fumble to give the Pipers the ball on the Badger 45. Here Milton Butler uncorked his specialty when he slipped off tackle for 32 yards to place Hamlin on the Merkel 13. Plunges picked up five yards and brought the Merkel defense in close enough for Sutherland to loop another scoring pass to Don Rowland. This pass flicked off the hands of a Merkel defender to enable Rowland to tuck it in.

Stapler took dead aim on this point try and kicked it through for the conversion. This brought the score to 25-13 in Hamlin's favor.

In the waning minutes of the ball game, the Pipers smothered a desperation passing attack by Robertson and that young man stepped back and booted the ball high and far for slightly over 80 yards to down it on the Hamlin 7-yard line. An offside penalty against Hamlin put the ball dangerously close to the Piper goal and Rowland went into his own end-zone to kick. A bad pass brought danger of a blocked punt and Rowland passed out of bounds to get another try at getting the punt off. Again he was rushed but he managed to kick out of bounds on the Hamlin 22. Robertson got a first down on the Piper four and three thrusts at the line brought another tally to the Badgers. Robertson again converted and Hamlin's lead was cut to 25 to 20.

Only enough time was left for the kickoff and three plays by Hamlin before the final gun sounded and the Pipers left the field with one they had pulled from the fire.

Statistics of the game reveal that Hamlin made 16 first downs as compared with 15 for Merkel. Rushing yardage for the Pipers was 185 yards and the Badgers garnered 130. Yards gained by passing totaled 64 for Merkel and 94 for Hamlin.

Rowland and Sutherland were the most outstanding offensively for the Pipers and Stapler and Hub Hopper played their usual stellar role in the line.

Gaylon Johnson and Willie Robertson handled the bulk of the ball carrying for Merkel and Bobby Campbell, Doyle Melton and Sidney Williams were line stalwarts for the Badgers.

West Texas Utilities Instal Neon Sign

West Texas Utilities Company received a new neon lighted sign Tuesday of last week, according to Mac Brundage, manager.

The sign carries out the same scheme as that at the old place of business now occupied by the Hamlin Flower Shop.

TEXAS TOBACCO — Hoping that Texas soil and climate will prove suitable for large scale tobacco-growing, L. W. Adams examines a healthy looking crop on his farm near San Antonio. Adams, who has farmed tobacco in Kentucky, says these plants look as good as any he has raised in the "Blue Grass" state.

National Education Gets Observance Week

The week of November fifth through 11 is National Education Week. The national theme is "Government For and By the People." This National Education Week will be observed by Hamlin High School.

The parents and friends are invited and urged to attend the school during observance of this week. In observance, the Student program November 9 in the high school will conduct an assembly school auditorium.

Mr. and Mrs. Harvey Arrive from Crosby

Mr. and Mrs. O. G. Harvey are visiting in Hamlin in the home of their daughter, Mrs. Ed Lewis.

Harvey had been recently transferred to a Crosby station by the Shell Pipeline Company after a number of years at the Hamlin station of that company.

The Crosby station is about 25 miles east of Houston and Harvey reports that he is enthusiastic about his new assignment.

ARMISTICE CLOSING

Mrs. E. M. Wilson, secretary of the Hamlin Chamber of Commerce, has requested repeated information that all member businesses of the local civic organization will be closed for observance of Armistice Day.

Oil Development Is Marked by Success And Failures Here

Varied fortunes faced oil producers in this section of Jones County this week among the oil fraternity.

Grisham & Hunter were reported to have missed the Swastika in their Mary K. Kennedy well near Radium. Operators have indicated that they will go to the Canyon on this well.

Bridwell Oil Company are at the 2925 foot level on their J. M. Alexander Number 1. It is expected that this operator will reach the Swastika by next Tuesday. Permit for this well was to the Ellenburger depth.

Warren Petroleum Company are at 2,500 feet on their Bill Matchett Number 1.

Atlantic Refining Company has hit the pay in their Faye Young Morton Number 3 and were setting pipe Thursday.

Texas Pacific Coal & Oil continues to drill in the Ellenburger on their Velta P. Toler Number 1. The well was reported to be making oil and water at 6,030 feet.

The same operator has reached 5,200 feet on their Port Williams Number 9, which proved dry in the Swastika and is being deepened to the Ellenburger.

Port Williams Number 8 for this company is being drilled deeper into the Ellenburger after production was insufficient at the depth to which pipe was set.

T-P is below 5,000 feet on their H. O. Cassle Number 3 which is slated for the Ellenburger. This well had a good Swastika show and is reported to be running high a sthe hole is drilled.

Herring Drilling Company have come up with a dry hole on the Price Amerson well which was drilled by that company.

Three Brothers Oil Company had made location for their Number 1, C. P. Amerson in the East Hamlin field. This location is between the Fry failure and Sohio production on the Compton property.

Hickcock & Reynolds have spudded in the Gertrude H. Bowes well being drilled by Sojourner Drilling Company. This well is a north outpost wildcat to the Kennedy try.

Lester-Duffield has another apparent failure on their J. P. Bingham well. This well had no show at 3,330 feet at a Swastika depth and drilling was suspended Sunday.

Sohio has made application for permit to dig their Ida B. Martin Number 1, which is about four miles east of Hamlin.

Mart O. Farrow Taken For Army Service

Mart O. Farrow of 288 North-west Avenue C, Hamlin, was drafted into the Army October 18, according to a report to The Herald.

He has reported to the Fifth Armored Division Headquarters at Camp Chaffee, Arkansas.

Officers Elected To Head Ministerial Body

Hamlin Ministerial Alliance met in the pastor's study of the First Baptist Church last Friday morning at 11:00.

Plans were made for the annual city-wide Thanksgiving Service which will be held this year, Wednesday evening, November 22 at 7:30 p. m. in the Church of the Nazarene with Rev. A. R. Posey, pastor of the First Baptist Church bringing the message.

An election of officers was held at which time the following officers were elected: Dr. Will C. House, president; Rev. A. R. Posey, vice-president and Rev. Howard L. Smith, secretary-treasurer. The Alliance will meet quarterly, the announcement concluded.

Mrs. W. C. Moore, Jr. Flies to Join Husband

Mrs. W. C. Moore Jr. and baby left Tuesday by plane from Big Spring for Oceanside, California.

She plans to join her husband, Sgt. W. C. Moore Jr., there. He is attached to the Marines and was called back into service September 30 of this year.

Accidents Cause Loss Of Finger Joints Here

Hamlin was beset by a pair of minor injuries during the past week when B. H. Gardner, Sr. and Tarleton Willingham both injured fingers on their left hands.

Gardner slammed the door of his son's car on the third finger of his hand and smashed it so badly that the first joint had to be removed.

Willingham was working with some stock Monday morning and his finger became jammed in a cattle chute and was badly crushed. His doctor was able to replace the joint after first aid had been given.

Howards Celebrate Thirty-Sixth Year

The Howard Food Market is donning gala attire this week in celebration of their 36th birthday anniversary.

Founded in 1914 by J. V. Howard, the store had its birth in the building now occupied by Witt Jewelry and later moved to the present site of the White Auto Stores.

Accusations are freely made that J. V. Howard was wearing short pants when he managed the fledgling business in its first location.

In 1935 the business was moved into its present location.

John V. Howard, Jr., purchased the business from his father in October of 1948 and has managed the business since that transaction was consummated.

Employed in the business are Mr. and Mrs. John Howard, Jr., J. V. Howard, Sr., Earl Crow, Winston Best and Donald Johnson.

In commenting on his many years devoted to the grocery business, Mr. Howard remarked, "We are not the oldest grocers in Hamlin, we have only been here the longest."

Many wholesalers are joining with the Howards in the celebration.

Flag Courtesies Topic Of VFW Instruction

John Edison, chairman for community service and Clyde Huff, chairman of the Americanism program for the Veterans of Foreign Wars, are to appear today before the student body of the Hamlin High School.

The pair are scheduled for appearance at 10:00 a. m. and subject of their talks will be Etiquette to the Stars and Stripes and Americanism.

Purpose of the program is to acquaint students and their parents with the proper procedure to follow on the appearance of the flag at public or private events.

Navy Films Shown Hamlin Rotarians

Hamlin Rotarians saw two movie films shown by QMHC H. H. Deel of the Abilene Naval Recruiting Service, Wednesday at their regular Wednesday noon luncheon.

The films were entitled "History of Naval Aviation" which reviewed the history of Naval aviation from its beginning of flimsy airplanes to the giant skyliners of today. The other picture was "Invasion of Normandy" which showed battle pictures of the Normandy invasion.

Gus Dickson was ushered in as a new member and Jim Howell was introduced as Junior Rotarian for November. J. L. Osborne was a guest.

B Team and Mighty Mice Double-Header

B Team of the Hamlin Pied Pipers engaged the Merkel B team in the feature of a twin bill last night at the local gridiron.

The Mighty Mice appeared in the curtain raiser at 7:00 p. m. against the junior high team from Snyder.

Sardines are packed closely in a can because the fish are cheaper than the olive oil in which they are packed.

Richard Lovier Is Recovering From Accidental Gunshot

Richard Lovier, 14, son of Mr. and Mrs. Harry Carmichael of Hamlin, was shot in the vicinity of the left shoulder blade in a hunting accident which occurred at about 8:30 last Sunday morning.

"Richie," as he is familiarly known to family, friends and classmates, had persuaded his parents to permit him to visit with a schoolmate, Billie Jean, at the Jean home near Hilsen. They had planned an early morning hunt and, prior to the accident, the two youths had exchanged guns. Best accounts available are that both boys sighted an owl at the same instant and the 20-gauge shotgun was fired by the Jeans youth before it was brought to his shoulder.

The charge from the gun struck Richie in the left shoulder blade and penetration of the pellets to the heart was deflected by that bony structure.

Both youths were brought to Hamlin Memorial Hospital and immediate steps were taken to save the life of Richie. Young Jean was treated for a severe case of shock and remained at the hospital.

Specialists were called from Abilene to assist Dr. E. D. Perrin in the fight to save the life of the Lovier youth and immediate arrangements were made for any necessary transfusions from an extensive list of donors.

Mr. and Mrs. Carmichael had been called to Dallas for repair parts to machinery in their laundry and were notified of the accident. At this critical time, mechanical trouble developed in their automobile and a small plane was chartered to bring them to the bedside of their son. Immediate danger to the son had been arrested Sunday night and Dr. Perrin maintained a round-the-clock vigil throughout the week.

Complications arose in the condition of Richie Tuesday when a series of convulsions of an undetermined origin set in. A gradual turn for the better followed this scare and reports were that Richie had spent a very comfortable Wednesday and Wednesday night.

A hurried x-ray was taken of injured area Wednesday and it was revealed that no heart injury had resulted and interior damage is believed to be very slight.

Heartening to the young patient were the calls and messages sent from all sectors by those who are close to the lad. An uncle, Hollis Young, brother of Mrs. Carmichael, called Richie from California to wish him well in his fight for recovery. Many of his football buddies have made repeated calls to the hospital to learn of his progress.

Odd development in the near tragedy was the fact that Hamlin was able to supply special nurse for the emergency. Mrs. R. L. McClung, Mrs. George Rivers and Mrs. Lois Stephens made themselves available for duty in caring for the boy. Mrs. McClung left the bedside of her own daughter to aid in his care.

Son Born To Capt. and Mrs. Misener

Captain and Mrs. Earle C. Misener are announcing the birth of a son in an American Hospital in Osaka, Japan.

Mr. and Mrs. M. T. Hudson of Hamlin received a cable Saturday, stating the facts.

Mrs. Misener is the former Joyce Hudson. They have another son Bobby, age two.

Captain Misener is in charge of taxes for the Military Government in Takamatsu on the island of Fukuoka in southern Japan.

The couple plan to return to the United States in March, next years after spending two years in Japan.

Holes in Swiss cheese are formed by gases that result from fermentation.

Watermelons are white inside until they are cut and air oxidizes the meat, turning it red.

Want a ride that's "out of this world"?

Better Buy Buick!

WANT to be free from that nervous tensing up for a jolt every time a rough spot looms in the road ahead? Want to enjoy the relaxing feel of a sure-footed car beneath you, that stays level even when the road doesn't? Well, sir, ease into a Buick and see how such matters are cared for.

See what a wonderful difference in level buoyancy coil springs can make when you have them on all four wheels, not just the front ones. Note what firm and solid steadiness is yours when a full-length torque-tube drive is your keel—how smoothly you stay on course when the rear wheels can't help but run true. See what big, low-pressure tires and Buick's wide rims can do to pillow your course without jounce or sway. In other words, sample this two-

ton beauty for over-all stance and balance—and the cradling comfort of its roomy interiors. And while you're at it, get the very special thrill of its mighty Fireball power plant, plus the free-as-a-bird-in-flight bliss of its Dynaflo Drive.*

It's an experience that you owe yourself—and it's yours for the asking. The thing to do is get in touch with your Buick dealer—and discover the ride that only Buick owners know.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Hamlin's Doyle Dean and Brad Rowland both figured highly in the McMurry College, Abilene, football game with Austin College last week. Dean was favored for his passing and Rowland for his running part in the 27-6 victory over Austin.

Clifford M. Holland engineered the Holland Tunnel.

Gift Tea Honors Mrs. LeRoy Rose Saturday

A gift tea honoring Mrs. LeRoy Rose was given in the home of Mrs. Harold Bonner, Saturday from 4:00 to 6:00 p. m.

The table was laid in a white cutwork cloth, centered with yellow roses on a reflector.

Mrs. Willard Maberry poured punch from a crystal bowl and was assisted by Mrs. Luther Marr.

Mrs. Harold Bonner received guests and presented them to Mrs. Dick Maberry, aunt of the bride, the honoree, Mrs. C. R. Rose, sister-in-law; also Dixie Maberry, a cousin.

Mrs. Art Carmichael ushered guests to the dining room and Mrs. Stanley Carmichael showed the gifts.

Mrs. G. M. Bond of Hamlin was a medical patient in a Rotan hospital last week.

Allspice is the dried unripe fruit from the pimento tree.

Mrs. P. Jameson of Hamlin was a medical patient in a Rotan hospital last week.

Mrs. Luther Marr presided at the guest book and Janet Bonner furnished appropriate piano music for the evening.

Mrs. Gene Westmoreland said goodbyes.

Hostesses for the evening were: Mmes. Harold Bonner, Willard Maberry, Art Carmichael, Luther Marr.

About 60 guests called the two hours.

Economy—Gas ranges cost less... cook for one-fourth cost of non-flame ranges. No expensive installation cost!

Everything your old range isn't

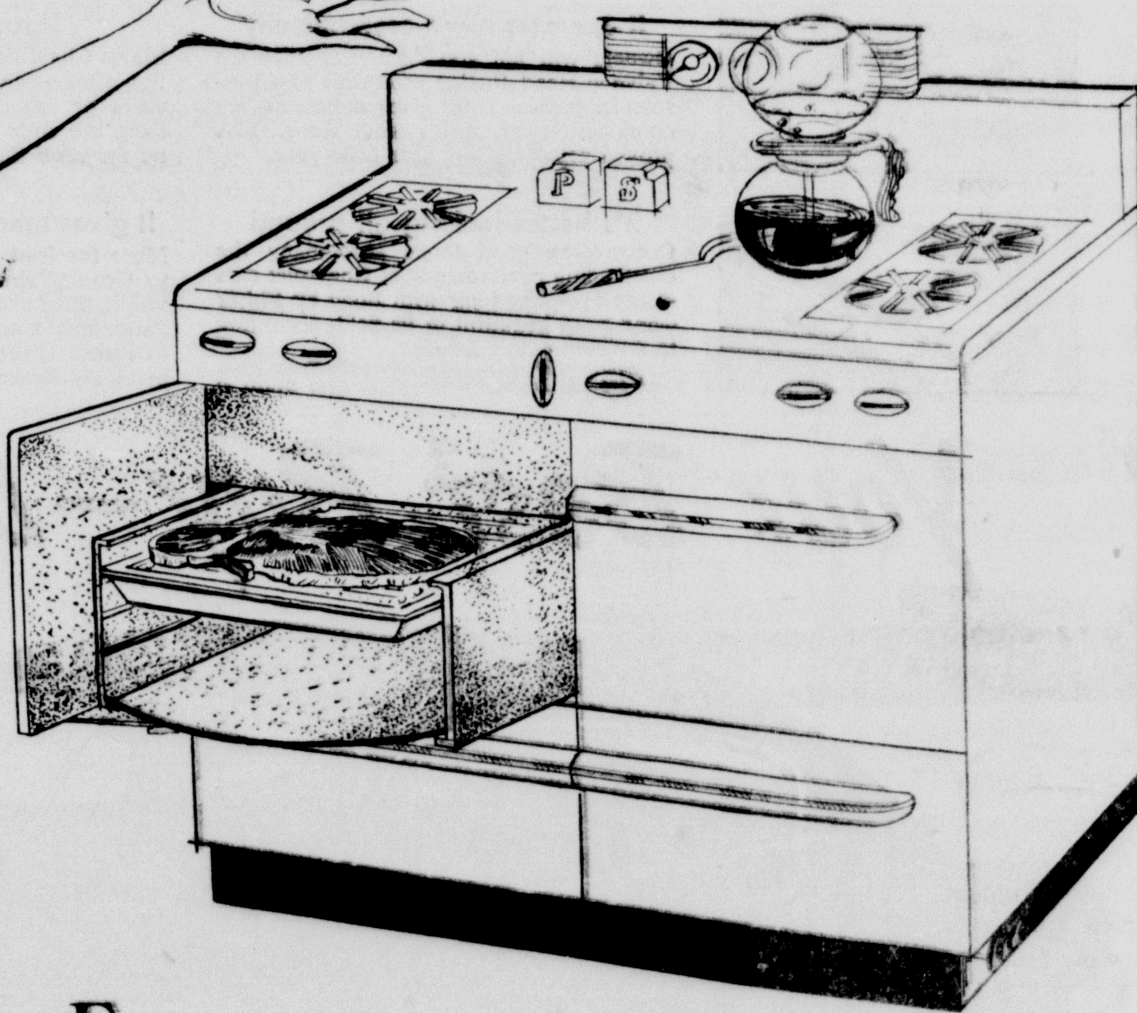

Automatic Cooking—Load 'em... leave 'em. Gas ranges cook while you're away.

Cool Cooking—It takes heat to cook. Gas ranges perform any cooking task with a minimum of fuel, keeping kitchen cooler.

Safe Cooking—National Fire Protection Association records reveal gas is your safest domestic servant.

Healthful Cooking—Simmer burners make "waterless" cooking easy; retains valuable vitamins and minerals in food.

Modern Cooking—Tilt-proof oven racks, non-clog burners, plate-size spillover pans—every convenience you can imagine!

**F**ood for thought.

For more than 20 years homemakers here have had the chance to choose between flame and non-flame cooking. Today, 96 out of 100 women served by Lone Star Gas Company cook with gas.

Why?

Your common sense tells you why.

There is no range any cooler, cleaner, safer, healthier than a gas range. None is more automatic, more modern, more convenient. And beyond a shadow of a doubt, a gas range is faster, more certain, and cheaper.

But see for yourself. See the new automatic gas ranges today.

Mr. and Mrs. Warner Celebrate Anniversary

Mr. and Mrs. J. W. Warner of Hamlin celebrated 50 years of married life in their home Wednesday.

The couple were married in Eastland County, October 31,

Kenneth Jack Harugty, formerly of McCauley, is coaching in Lubbock.

Office Supplies at The Herald.

1900. They moved to Hamlin October 5, 1921 and have lived here ever since.

VFW Auxiliary Hears Convention Report

Veterans of Foreign Wars Auxiliary Post 6014 heard reports of the District 8 Convention held at Stamford at their bi-monthly meeting at the clubhouse last Thursday night.

The convention report was given by: Wanda Neal, Sara Gold, Jean Watson and LaVern Holt.

Mrs. Bernice Townley, president, presided at the business session. A yearly donation was given to the district and a \$10. donation was sent to Gonzales Warm Springs Foundation by the group.

Mrs. Oleta Faye Dutton was presented a 1950 paid membership card by the auxiliary and Mrs. Mabel Riley was voted in as a new member.

The local Auxiliary notified Mrs. Mary Pat Bird, a State of Texas Directive, Friday a. m. that they were 100 per cent in membership dues paid. Mrs. Bird had offered a trophy to the Auxiliary who had the first 100 per cent at the Stamford convention. A presentation program will be announced as soon as it is worked out.

Mrs. Mary D. Hymer and Edith Ely were co-workers in the dues drive, which proved very successful.

Following the meeting a social hour was held honoring Mrs. Julia Hunter, now of Abilene. Her register was carried out in the Halloween theme as was the building.

The honoree was presented with a corsage and bingo games were played.

Coffee and a sandwich plate was served to: Mrs. Bernice Townley, Mr. and Mrs. Irwin Smith, Mrs. Dorothy Townley, Mr. and Mrs. O. L. Henry, Mr. and Mrs. Cleo Perryman, Misses Ava and Valera Hudson, Mr. and Mrs. Verner Ely, Mr. and Mrs. Hobbs Hunter, Mr. and Mrs. Clyde Huff, Mr. and Mrs. John Scarborough, Mr. and Mrs. Doc Neal, Mr. and James Woods, Mrs. Jessie Mae

Mr. and Mrs. E. B. McCulley of Cleveland spent the week-end in the Jeff Cheshire home.

John Adams was the first Harvard graduate to become U. S. president.

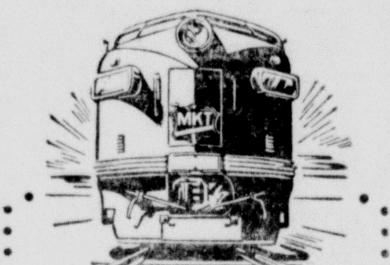

Dilliard, Mr. and Mrs. George Brown, Mr. and Mrs. Jiggs Gold, Mrs. Euell Carter, Mr. and Mrs. John Howard and Mr. and Mrs. John Hymer.

Next meeting will be Thursday, November 9.

HAMLIN

Judge it on **DURABILITY... DEPENDABILITY**

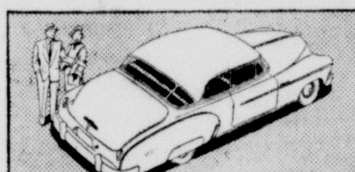

It rides more smoothly

Take one ride and you'll agree that Chevrolet is the smoothest riding car in the entire low-price field. It's the only low-priced car combining the famous Unitized Knee-Action Ride and airplane-type shock absorbers all around.

It operates more economically

Owners will tell you Chevrolet's famous Valve-in-Head Engine, exclusive to Chevrolet in its price range gives an outstanding combination of thrills and thrift, plus proved dependability, year after year.

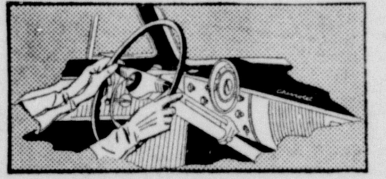

It's better looking all around

Outstanding good looks accompany the outstanding performance of Chevrolet cars—only low-priced car with Body by Fisher—and most beautiful in its field, according to a recent public survey.

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

It drives more easily

Enjoy finest no-shift driving with Powerglide Automatic Transmission* and 105-h.p. Valve-in-Head Engine—or finest standard driving with standard Valve-in-Head Engine and Synchro-Mesh Transmission—at lowest cost.

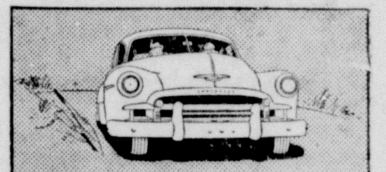

It lasts longer, too

Many Chevrolets are giving full satisfaction after having served ten, fifteen, twenty years or longer. That's one reason why there are over a million more Chevrolets on the road than any other make.

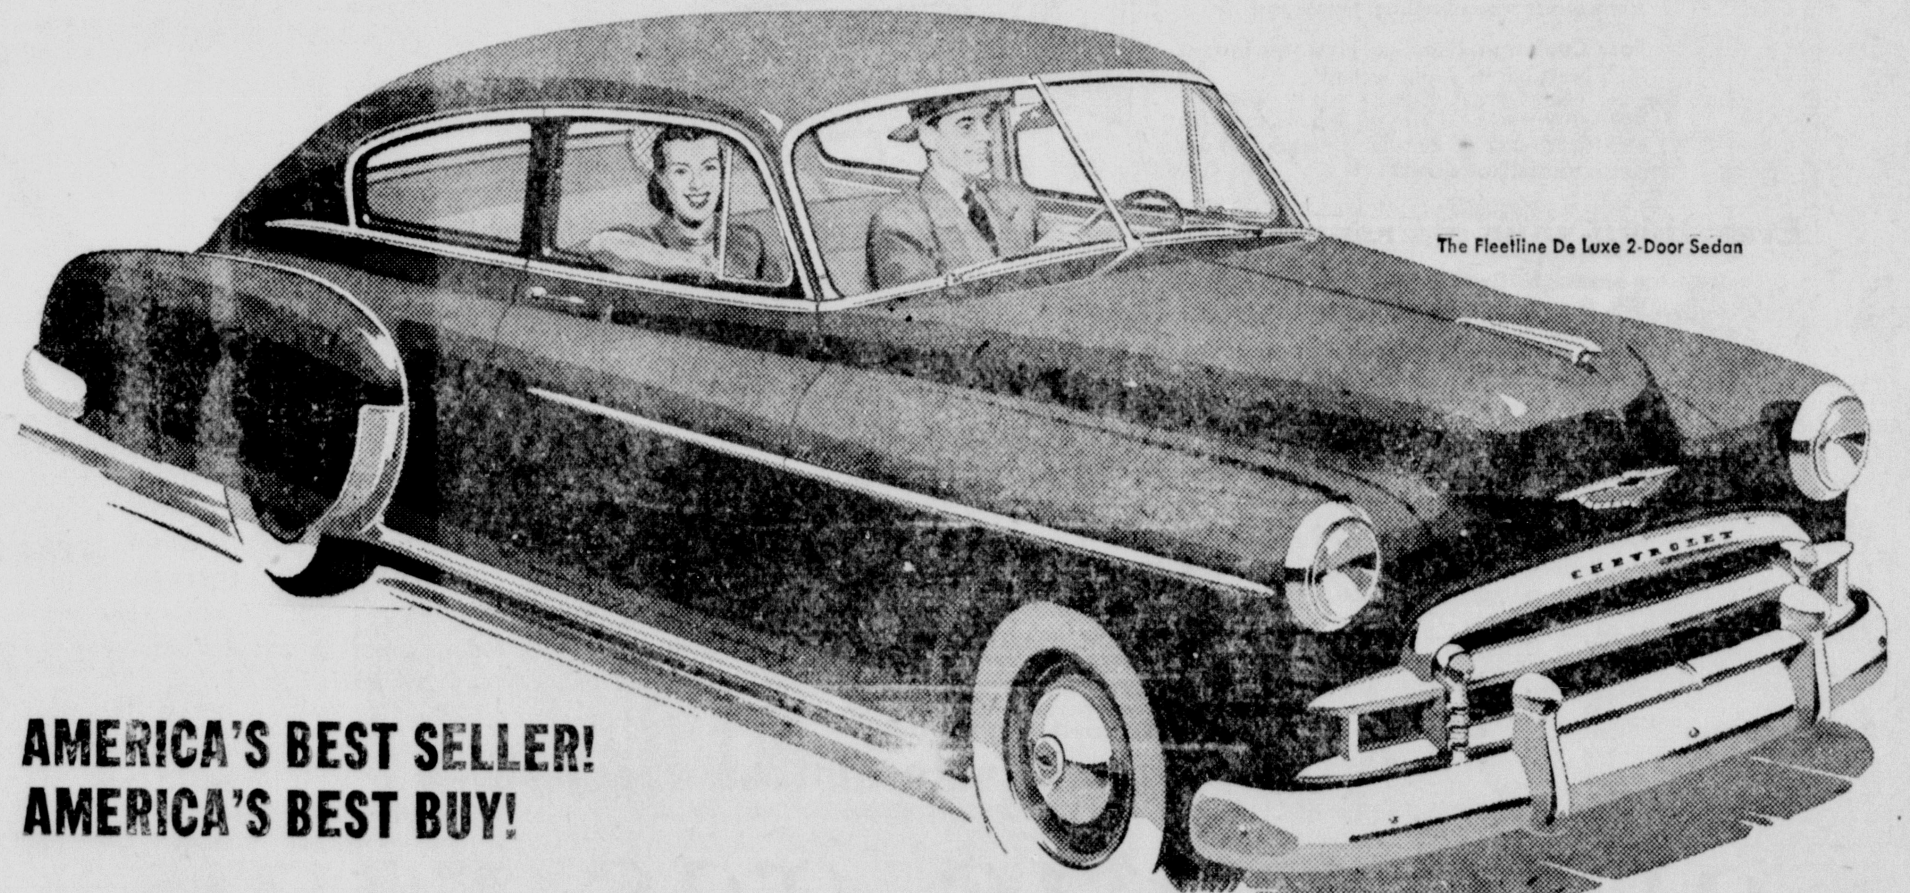

It gives more for less throughout

More for less! More steering-ease, thanks to Center-Point Steering. More all-round vision, thanks to a Curved Windshield with Panoramic Visibility. More safety, thanks to Fisher Unisteel Body-Construction and hydraulic brakes. Come in—today!

Women Everywhere like
Electric Cooking
because it's **CLEANER**
... COOLER and SAFER!

Some day you
will **COOK**
ELECTRICALLY
why not
NOW?

Here are a few of the reasons Women prefer Electric Cooking

It's Fast! Electric "speed-units" now cook faster than any other method!

It's Automatic! Electric cooking's automatic features save you time, labor and money!

It's Cool! Electric ovens are insulated on 6 sides. Heat goes into food and not into the kitchen.

It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen!

It's Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.

It's Economical! Low-cost electric rates and faster cooking bring operating costs way down.

It's Labor Saving! Automatic features save you work, free you from much kitchen drudgery.

It's Modern! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods as old-fashioned flame lamps.

It's Convenient! Designed for modern kitchens, the special features of Electric Ranges mean extra conveniences for you!

It's the Best!

West Texas Utilities Company

The clean flameless heat that comes from an electric coil frees you from the grime... soot... and dangerous fumes usually caused by old-fashioned flame methods of cooking. The flameless heat of an electric range will keep your kitchen bright and fresher longer with a minimum of repainting and upkeep... and pots and pans will stay shiny bright, too! The modern electric range is not just a better range—it's a better method of cooking!

THERE'S A NEW ELECTRIC RANGE FOR YOU

See your **Electric Range Dealer TODAY!**

He will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economies that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

Jo Ann Ferguson of McCauley was a surgical patient at a Rotan hospital last week.

Camp Fire Girls Have Better Breakfast Week

For a better life, eat a better breakfast. That's the advice Hamlin and other West Texas Area Camp Fire Girls are giving friends and families as they prepare to observe Better Breakfast Week, November 5-12.

A basic breakfast consists of fruit, or fruit juice, cereal, milk or cocoa, bread and butter or margarine. One of this type, the girls say, supplies one-fourth to one-third of the nutrients a person needs for one day.

"This is the fifth successive year that Camp Fire Girls have emphasized the need for eating a nutritious breakfast," Kathleen Crawford, executive director, said. "It is estimated that at least two out of three Americans eat too little for breakfast."

Friendship HD Club Has Friday Meeting

Friendship Home Demonstration Club met last Friday. Mrs. F. F. Carter and Mrs. H. H. Windham from the Goodman Club of Merkel were guests.

Mrs. Windham, one of three women sent to the state T. H. D. A. Convention at Big Spring in August, gave a report on the convention to the local club members.

Refreshments were served to the following: Mmes. M. S. Johnson, Cecil Brown, John Hix, Jack Collins, Elbert Fomby, M. E. Carlton, Roy Brown, Ray Johnson, Sol Branscum, J. E. Johnson, D. W. Carlton, James Brown, W. J. Kemp, Homer Neal, R. S. Johnson, H. E. Brown, Grady Smith, F. F. Carter and Mrs. Windham.

Joseph Sweeney invented the banjo, so balled because he was dubbed a one-man band.

Camp Fire Girls Meet At Hut, Plan Party

Hamlin's Camp Fire Girls met last Wednesday at 4:00 p. m. at the Campfire Hut.

Business session included the election of officers for the new year and the planning of a Halloween Party at the hut for this Tuesday.

Officers elected were: Joy Fay Hames, president; Herlenda Mendoza, vice president; Sandra Stuart, secretary; Renee Moore, treasurer; and Sara Kay Fomby, reporter.

Refreshments of cakes and cookies were served to the following: Sandra Stuart, Joy Fay Hames, Retha Sanders, Kay Meason, Jean Kidd, Gwendolyn Brown, Sara Kay Fomby, Audra Stennett, Janis Stennett, Herlenda Mendoza, Sandra Sue Carter, Anne Joyce Hines, Laura Beth Grineeks, Nickie Moore and Mrs. Elbert Fomby co-leader and Mrs. Ned Moore, leader.

YWA Meets Tuesday At Baptist Church

Y. W. A. of the Hamlin First Baptist Church met Tuesday in the church auditorium.

Those present were: Peggie McCleary, Adell Altum, Kathryn Ritchey, Dorothy Altum, Joye Maynard, Eleanor Huchingson, Barbara Posey, Maxine Smith, Roberta Wilkins, Gwen Norris, Eddie Decker and Mrs. Willie D. Upshaw and Mrs. Teddy Russell, counselors.

Lois Glass Circle served refreshments of ice cream and cake to the attendants.

A business session was conducted and Mrs. Teddy Russell gave a report on the "Significations of Baptism."

Meeting was closed with a prayer by Barbara Posey.

Homemakers Class Meets in Durkee Home

Homemakers Sunday School Class of the First Baptist Church met in the home of Mrs. A. E. Durkee Thursday afternoon for a social and business hour.

Class year book compiled by Mrs. Durkee and Mrs. Clyde Grice were presented to the attendants.

Refreshments were served to: Mmes. Ira Huchingson, assistant teacher; Weldon Carter, Alton Mayfield, Bonnie Bingham, Ernest Lee, W. W. Fletcher, Dan Jarrett, Clyde Grice, J. C. Lain, C. M. Abbott and the hostess.

Next meeting will be a Thanksgiving dinner with Mrs. Tarleton Willingham as honor guest who will present a book review to the group.

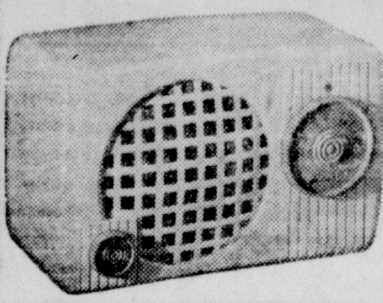

The entrance to the Amazon River is about 200 miles wide.

Final Rites For I. T. Ivison Held Friday

Funeral services were held Friday afternoon at 2:30 for Ira Tom Ivison, 53, a former Hamlin and Snyder resident and mechanic at Snyder. He died in Ingram last Wednesday night.

Ivison was born in Arkansas June 4, 1895. He worked in a garage now occupied by M. S. Johnson Motor Service and later moved to Snyder opening a garage there. He retired at Snyder last year and moved with Mrs. Ivison, Tommy, Jimmy and Oma Anne to Ingram.

Services were conducted in the Snyder First Methodist Church with Rev. O. B. Herring, Slaton, officiating. He was assisted by Rev. W. M. Clark and Rev. W. W. Adcock.

Burial was in the Snyder Cemetery. Survivors other than Mrs. Ivison and the children of Ingram, Allie, Deel, Truman and Kenneth,

Mrs. Addie E. Clark Buried Here Saturday

East Cemetery. Mrs. Addie E. Clark, 69, died at the Hendricks Memorial Hospital, Abilene, Thursday, October 19, 1950.

Funeral services were conducted Saturday at the First Baptist Church at 2:30 p. m. Rev. A. R. Posey, pastor, officiated.

Interment was in the East Cemetery under direction of Barrow Funeral Home.

Mr. and Mrs. J. W. Maberry and son, Dannie, of McCaulley visited John and Kenneth Jack Haraghty of Lubbock over the week-end.

Prince Albert introduced the Christmas tree into England.

all of Snyder; three sisters, Mrs. Jim Gage of Plainview, Mrs. Jack Kitchwood of Durant, Oklahoma, Mrs. Bill Tribble of Amarillo; a brother, J. W. of Lorraine; and eight grandchildren.

McCaulley News

By VIVIAN SHORT

School was resumed Monday morning after a two weeks recess for "ball" pulling.

Professor S. L. Smith tells this reporter that we now have a United Nations Flag and it will be flown from the regular flag pole on the school grounds.

The J. M. Millers of Plainview were week-end visitors in the home of Mrs. Millers brother, N. H. Wishert.

Bonnie Beth Jones of Abilene was a week-end visitor in the home of her parents, the Cloyce Jones.

Mrs. Buddy Gibson was dismissed from the Hendricks Hospital, Abilene last Thursday.

Mr. and Mrs. F. W. Ford of Fort Worth were visitors last week in the home of Mrs. Ford's brother, Ben Short.

Cecil Eivens and family of Levelland were Sunday visitors in his mother's home, Mrs. A. M. Eivens. Sgt. Leo Masser returned to Fort Sam Houston last Tuesday after a four day furlough.

Ray Martin and family of Ropesville were week-end visitors in the homes of Mrs. Martin's brother's and sister, the Henningsons.

Mrs. Roy Parsons and children of Roby were visitors in the home of her mother, Mrs. Annie Ruth Ferguson, last Friday.

Mrs. Brown of Trent was a guest in the home of her sister, Mrs. E. A. Lawlis, last week.

Mrs. Faye Holcomb of Denton passed away last week. She is the daughter of Mr. and Mrs. Ben Kemp. Our entire community extends sympathy to the bereaved.

Bob Ferguson of Fort Worth was a week-end visitor with his mother, Mrs. Charles A. Ferguson, and his sister, Jo Ann.

Mrs. Jimmie Dee Jackson and son are visiting in the home of Al and Sallie Galloway and family at Ralls this week. They will also visit Rev. and Mrs. C. E. Dick of Lubbock.

Mr. and Mrs. W. O. Gayle of Stamford visited in the home of the Ben Shorts last week. Mrs. Gayle is a niece of Mrs. Short.

The Albert Georges and Ben Short visited in Rotan Sunday afternoon in the home of the D. L. Smiths.

A Thought to Remember—"An

Insect Eliminator And Stalk Cutter Available As Buie Demonstrator

A new type machine which completely shreds both feed and cotton stalks, making their food value available to the soil, and eliminating insects, boll weevils and other undesirable infestation as well as their places of hibernation is announced by Buie's in Stamford.

A limited supply of these new principal shredders are obtained from Buie's who advise they are glad to demonstrate this machine on any farm in this area. The machine operates from any tractor power take-off. (Adv.)

Anthore name for the swastika is fylfot.

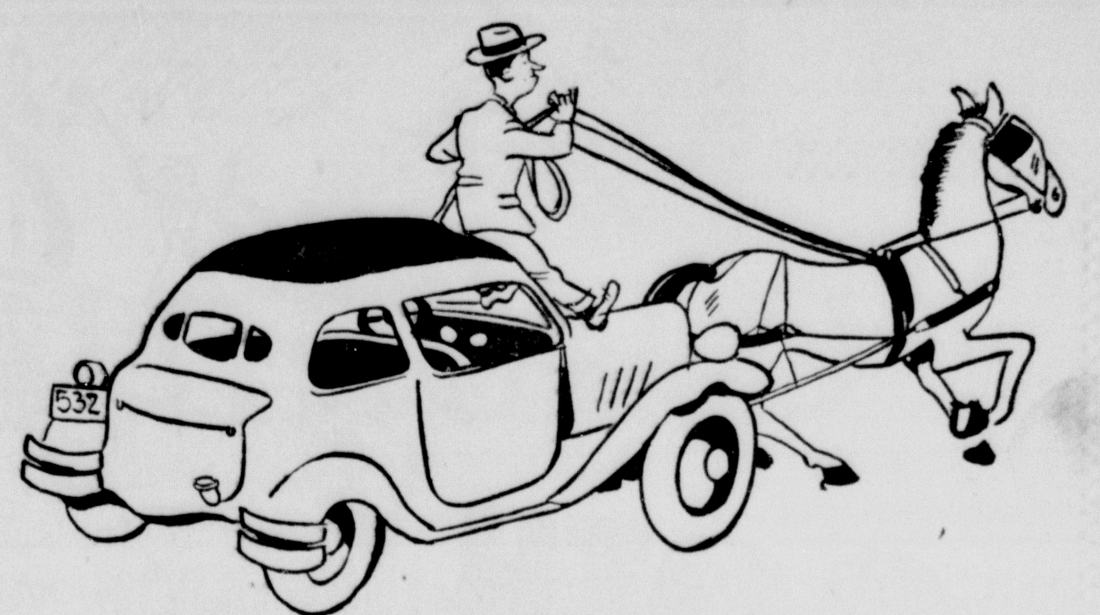

act of folly isn't foolish, when you take it for the folly it is." So long—I'll be newswing you!

Are Our Texas Highways Being Destroyed by 1% of Highway Users?

This question is presented squarely for the first time by the Texas Tax Journal in its booklet, "The Case of the One Per Centers."

Every Texan who wants good highways, adequate for 99 of every 100 users, should write for a free copy of this revealing booklet.

Approximately 99% of all Texas motor vehicles are registered for a gross weight of 20,000 pounds or less."

All Texas taxpayers, including your Texas Railroads, have reason to be concerned about the high cost of constructing and repairing our highways and the prospect of building more costly roads made necessary by the operation of highway "box cars."

No one has any desire to bar vehicles of reasonable size from our highways, so long

as each pays its fair share of construction and repair costs.

Other Texas taxpayers should not be required to shoulder the burden of a roadway system for highway "box cars", representing only 1% of highway users.

Every Texan interested in good highways without increasing the growing tax burden should fill out the coupon below and get a copy of this valuable booklet.
